Much of the information and data sharing, business updates and planning within CSPN

happens in our committees. Meetings are typically held once a month and last for an hour or less. Both state agency and corporate affiliate members are welcome to participate or listen in. Share your expertise with others, expand your knowledge in a new area, and help shape the future of 529. The meetings are also a great way to meet people to add to your professional network. You can participate in more than one — many of us do!
